December 3rd. 1970.

VE2APT.

Dear Mike;

I should like by this means to convey my appreciation to yourself and Neil for the organization and operation of the Rally last Sunday. I'm afraid I didn't do too well but that was no fault of the plans or the operation. Lorraine and I thoroughly enjoyed ourselves and we both agree that if I am in town we shall definitely be at any subsequent Rally events.

Time ran out on us Hi!
